

## Court Skills

Effective professional practice in care proceedings

### Introduction

Involvement in care proceedings can be one of the most important, but stressful, activities for child care professionals

This course will focus on reducing anxiety and equipping workers with the skills and confidence to undertake court work

### Who is the training for?

Managers and staff from all agencies who **work regularly** with children

### Attendance Criteria

Introduction to Safeguarding  
Working Together

### Aims

To support workers when they become involved in court processes

### Learning Objectives

By the end of the course participants will be able to:

- Understand court processes and protocols
- Understand their responsibilities within the Public Law Outline
- Present reports which achieve their intended purpose
- Present evidence with authority and confidence
- Withstand adversarial cross examination
